

# PLANSAFE ASBESTOS SERVICES

TAKING SAFETY TO HIGHER LEVELS

APRIL 2015

Plansafe Solutions Ltd was established in 1995 and is, at its core, a health and safety consultancy. Following the introduction of the Duty to Manage Asbestos Plansafe established an Asbestos Surveying Division, UKAS accredited to ISO17020:2012.

The Asbestos Surveying Division has a wide range of experience in both public and private sectors. Our competent and experienced surveyors are able to provide a wide range of services including:

- Management Asbestos Surveys of premises currently occupied and in use.
- Refurbishment Asbestos Surveys for properties to which work is to be carried out.
- Demolition Asbestos Surveys for buildings, or parts of buildings, to be demolished.
- Asbestos Condition Surveys of existing premises with known asbestos containing materials to assist clients with their own Duty to Manage.
- Assistance in the preparation of briefs for asbestos removal prior to tender of these works.

Services can be offered on a bespoke or standard basis. To

*“LOREBURN HAS FOUND PLANSAFE TO BE A VERY EXPERIENCED AND KNOWLEDGEABLE CONSULTANT WHO ALWAYS DELIVERS THEIR SERVICE ON TIME AND TO A HIGH QUALITY. I WOULD NOT HESITATE TO RECOMMEND PLANSAFE AS A COMPETENT, RELIABLE AND PROFESSIONAL CONSULTANT.”*

- Lindsay Lauder,

## A High Quality of Service

Our Asbestos Surveyors are all experienced and qualified to a minimum of P402 and Plansafe's Asbestos Technical Manager, Director Matthew McVeigh, is a trained health & safety professional, qualified to S301 in asbestos.

Plansafe prides itself as a company in delivering high quality. Our approach to surveying is always to work closely with our client to establish what type of survey they require and how best to meet their needs. Our surveyors are competent, precise and offer a client focused service.

Our surveyors operate to the strict requirements laid down in our UKAS accredited ISO 17020:2012 Integrated Management System. Plansafe undertakes both Witness and Re-inspection Auditing of our Surveyors to assure ourselves that they offer the excellence in quality of service we demand.
