Our Consultants

David G Wood

A former Inspector with the Health and Safety Executive, David is Managing Director of Plansafe. David is a Chartered member of IOSH. He acts as Expert Witness in both civil and criminal cases across the United Kingdom. David's reputation is second to none and his services are sought by many of the country's top legal firms after his performance in a range of high profile cases. David continues to undertake consultancy work in a range of sectors including construction and agriculture.

Matthew McVeigh

With a NEBOSH Diploma in Occupational Safety and Health, Director Matthew McVeigh is a Graduate member of IOSH. Matthew has acted as a consultant for 18 years in a variety of fields including construction, engineering, forestry, healthcare and many other sectors. Matthew undertakes development of health and safety management systems for new clients and thereafter assists with the installation and monitoring of the arrangements and procedures established. Qualified to S301 Matthew is also Technical Director for Plansafe's UKAS accredited Asbestos Survey Division.
